

For becoming a professional in the sector of culinary arts, there is no need to study food technology. Our chef will introduce you to the basics of experimental cooking.

Do you often ask yourself 1000 questions concerning the product choice unto the purchasing of recipes? Don't pass up this golden opportunity and visit one of our cooking classes with our Chef Thomas Czerwionke.

Cooking Class "Greetings from Mr. Knigge: Oysters, Lobsters & Co."
